# Our Next Plan

- . Chinese want to mirror APNIC database, and provide Chinese query system
- . This year we will hold training meeting in more than 20 cities, the plan has begun already

# CNNIC has 120 IP members up to now

CNNIC member Structure

# 1st Open Policy Meeting report

Date: 8/7and 9/7 /2004

Location: Beijing,China

50 Attendees from 29 CNNIC members,because the distance from Shanghai and Guangdong to Beijing is too long,it is a pity that some members can not attend the meeting,so if we have chance,we will hold meeting at Shanghai and Guangdong in order to attract more member.

# APNIC training

Training Officers are Miwa and  
Guanglang,  
The title is  
Internet Resource anagement  
Essentials

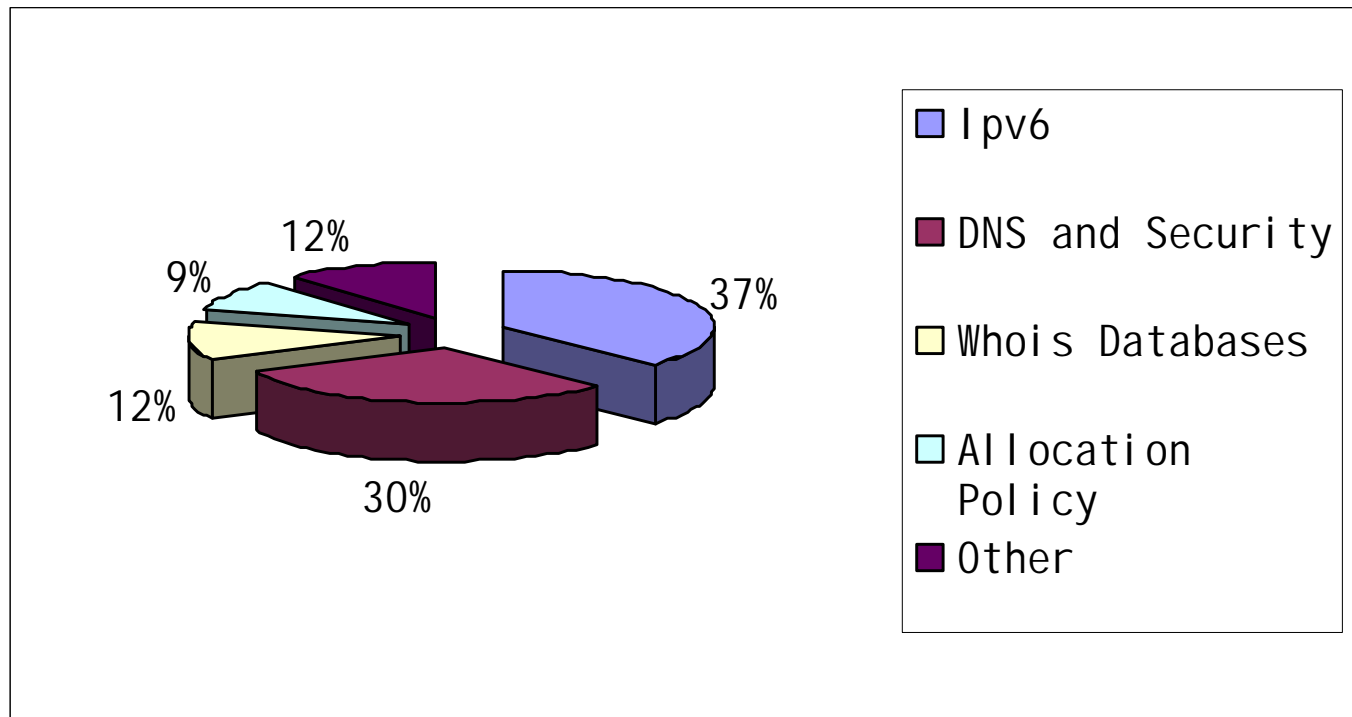

# Investigation result

Attendee structure:

## ■ The topics they are most interested

## Barriers to CNNIC member's participation in APNIC Policy

# Conclusion

- .place of meeting:Shanghai ?
- .continue to cooperate with APNIC and talk about more interesting topic:IPv6,DNS , whois and policy
- .We need encourage our member to participate in APNIC meeting and establish CNNIC policy procedure according with the situation of China

- Thank you and any comments?
