

Training and Education BoF

Summary

APNIC 22, Kaohsiung, Taiwan, 8 Sep 2006
Cecil Goldstein

Background

- Objectives:
 - To present training proposals and initiatives
 - To request/receive member feedback, comments and suggestions
 - Demonstrate and explain eLearning

Participation

- Approximately 20 participants
- Questions from the floor about:
 - timing of live online teaching
 - availability of APNIC introductory information
 - fees for eLearning
 - use of eLearning forums and access
 - details about requesting training from APNIC

Comments

- Interest expressed (mainly one – to – one)
 - in collaborative projects
 - for more training events
 - for help to support clients
 - in best practises
 - in eLearning options
- Suggestion
 - Access to eLearning should be restricted to members for advanced modules

Conclusion

- There should be an opportunity to present and discuss training issues.
- Perhaps this should be in a smaller more interactive forum

Thank you
