APNIC 17

Kuala Lumpur, Malaysia

## Action db-16-001

- Proposed "Policy for mirroring on IRR" (prop-003-v001), to be sent to the database mailing list for further discussion.

## Action db-16-002

- Secretariat to implement proposal "Privacy of customer assignment records" (prop-007-v001) in three months.

## Action db-16-003

- Secretariat to implement proposal "Protecting resource records in APNIC Whois Database" (prop-010-v001). This will involve changing the maintainer of objects protected by MAINT-NULL to the maintainer of the parent object as well as deprecating NONE in the maintainer's auth attribute.
